ATELIER GARDENS

Oberlandstraße 26–35
12099 Berlin, Germany
info@atelier-gardens.berlin

2x 357 sq m of beautifully adaptable workspace is available as a whole to a single occupier, or on a floor-by-floor basis.

Atelier Gardens is the global home for the pioneers of profound societal change. The 23,800 sq m site is being adapted to reuse existing film studio structures and ecologically transform the landscape, revolutionising the future of farming, food, finance, film, leadership and education. Our spaces are flexible, beautiful, brimming with nature, facilitating the work of dynamic individuals and inspiring organisations.

The campus sits on the southern border of Tempelhof airfield and is situated next to the vibrant area of Neukölln, Berlin.
